

## Hand In Hand Disciplinary Policy

Hand In Hand Daycare & Preschool has created these guidelines to follow for disciplinary measures. In any situation involving a child or children that are in conflict with the rules of the classroom, the teachers shall:

- Provide a redirection for the child to follow
- Provide a verbal warning if behavior does not change
- Provide an area for the child/children to calm and reset before going back to playing

I understand and agree to follow these guidelines that have been provided to me.
